INTRODUCTION

Alliant Vehicle Schedules is a vehicle schedule management tool with an easy to use interface located within a customized online portal designed for our clients. Alliant Vehicle Schedules is replacing the existing vehicle schedule management system of **Oasys-Net**.

SECURE & ENCRYPTED DATA

All client data is secured to the appropriate account teams, and the database itself and all backups are stored in a highly encrypted format. In addition, all changes are archived for audit history.

BROWSER COMPATIBILITY

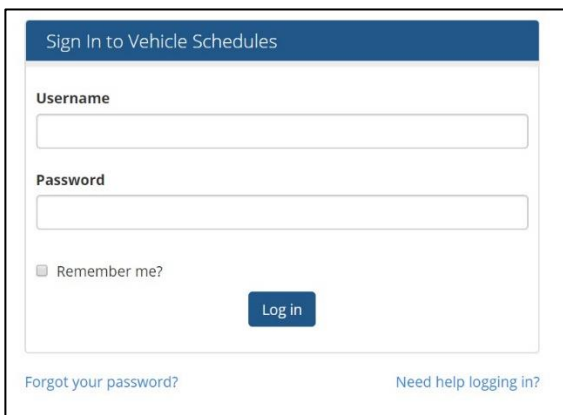

It is recommended to use Google Chrome for best experience.

ACCESS

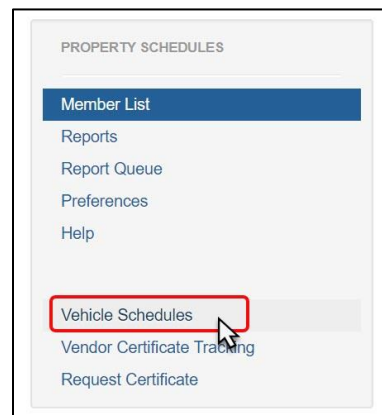

LOG IN

To access Alliant Vehicle Schedules, log in at: <https://vehicles.alliant.com/>

If you have access to Alliant Connect Property schedules, you can also access by using the Vehicle Schedules link in the left side menu on the main page.

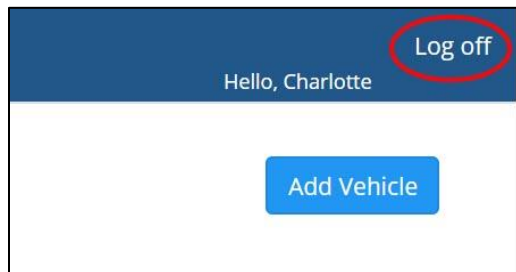

The screenshot shows a login form titled "Sign In to Vehicle Schedules". It includes fields for "Username" and "Password", a "Remember me?" checkbox, and a "Log in" button. At the bottom, there are links for "Forgot your password?" and "Need help logging in?".

Tip: Add the Alliant Connect web address to your favorites to make accessing the site quick and easy.

LOG OFF

Select **Log off** at the top right corner of site or close your browser.

REQUESTING USER ACCESS

You can request access for yourself or another user by contacting a member of the Account Team.

REVOKING USER ACCESS

You can request to have your, or another user's, access revoked by contacting a member of the Account Team.

VEHICLE LIST

Once logged in you will see the Vehicle List for your member(s).

A screenshot of the 'Vehicle List' page. At the top right is a blue 'Add Vehicle' button. Below the header, there is a 'Select Member:' dropdown menu with 'Test Member' selected. To the right of the dropdown is a checkbox labeled 'Show Deleted Vehicles'. Below this is a pagination control showing '10 records per page' and a search bar. The main content is a table with columns: Vehicle Number, VIN, Type, License, Year, Make, Model, and JPA. Each row has an 'Edit' button to its left.

	Vehicle Number	VIN	Type	License	Year	Make	Model	JPA
Edit	00	123154654654	Automobile		1988	Acura	Legend	None
Edit	01	12312323232	Automobile		1980	Volvo	240 DL	None
Edit	001	5487	Bus		2005	Ford	GX	None
Edit	3	12345	Historical / Other		1998	Dodge	Truck	None

If you are part of a JPA and have access to multiple members' vehicle lists, select the member list you want to view from the drop down menu.

Vehicle List

Select Member:
Test Member

10 records per page

	Vehicle Number	VIN	Type
Edit	00	123154654654	Automobile
Edit	01	12312323232	Automobile

Adjust the number of records per page by using the dropdown at the top of the list. The search function allows for a search of particular vehicles.

Vehicle List

Add Vehicle

Select Member:
Test Member

Show Deleted Vehicles

10 records per page

Search:

	Vehicle Number	VIN	Type	License	Year	Make	Model	JPA
Edit	00	123154654654	Automobile		1988	Acura	Legend	None
Edit	01	12312323232	Automobile		1980	Volvo	240 DL	None
Edit	001	5487	Bus		2005	Ford	GX	None
Edit	3	12345	Historical / Other		1998	Dodge	Truck	None

ADD A NEW VEHICLE

To add a new Vehicle, select **Add Vehicle** at top right.

Add Vehicle

Show Deleted Vehicles

Search:

	License	Year	Make	Model	JPA
le		1988	Acura	Legend	None

Complete the fields to the best of your knowledge. Required fields are designated with a *.

Vehicle Type is required.

Vehicle Detail

Type is Required

JPA: None, Agency Vehicle Number: , Coverage: , Member Name: Test Member, Department: , Cost: , Vehicle Type *: , Usage: , Valuation: Actual Cash Value, VIN: , Status: , Vehicle Value: , License: , Add Date: , Physical Damage Coverage: ☐

When complete, select **Save**. You will be returned to Vehicle List and the new vehicle will be included in list.

Model: , Mileage: , Seating: , Effective Date Of Change: mm/dd/yyyy, Set future or past date when this addition or change should be effective. Leaving this field blank will set the date to today. Save, Cancel

EDIT A VEHICLE

To **edit** an existing Vehicle, select **Edit** to the left of the vehicle you wish to edit.

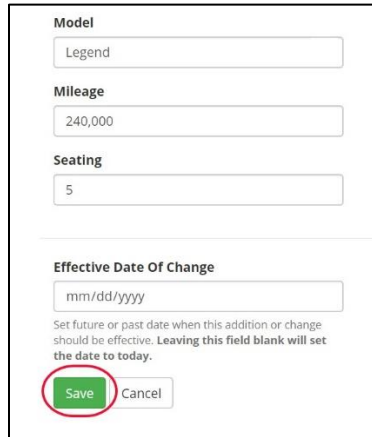

Vehicle List

Select Member: Test Member

10 records per page

	Vehicle Number	VIN	Type	License
Edit	00	123154654654	Automobile	
Edit	01	12312323232	Automobile	

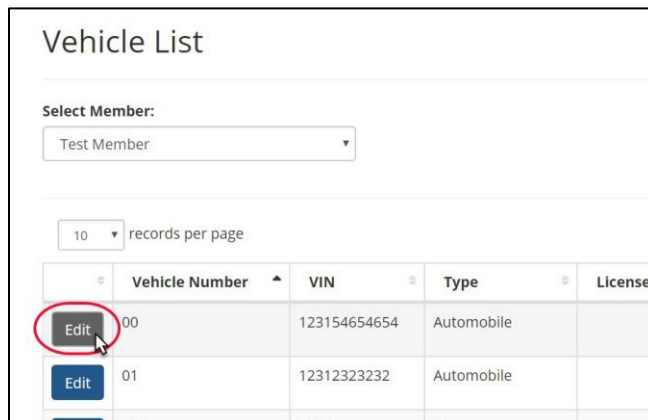

Complete edits and then select **Save**.

A screenshot of a vehicle edit form. The form contains the following fields: Model (Legend), Mileage (240,000), Seating (5), and Effective Date Of Change (mm/dd/yyyy). Below the date field is a note: "Set future or past date when this addition or change should be effective. Leaving this field blank will set the date to today." At the bottom of the form are two buttons: "Save" (green) and "Cancel" (white). The "Save" button is circled in red.

DELETE A VEHICLE

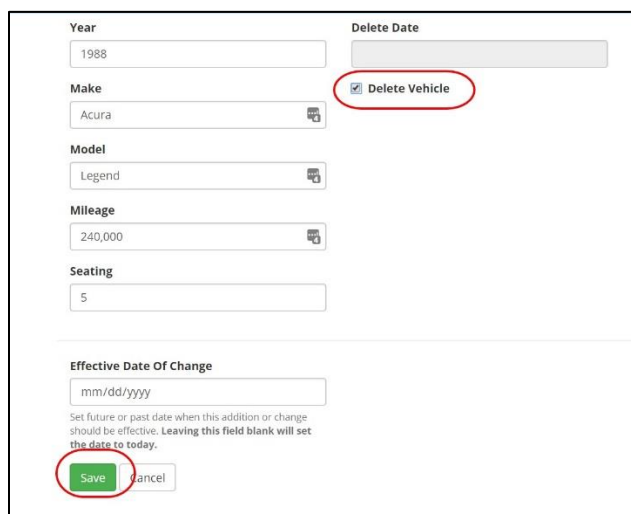

To **delete** an existing Vehicle, select **Edit** to the left of the vehicle you wish to delete.

A screenshot of the "Vehicle List" interface. It includes a "Select Member:" dropdown menu set to "Test Member" and a "10 records per page" selector. Below is a table with the following columns: Vehicle Number, VIN, Type, and License. The table contains two rows of data. The first row has "00" for Vehicle Number, "123154654654" for VIN, and "Automobile" for Type. The second row has "01" for Vehicle Number, "12312323232" for VIN, and "Automobile" for Type. To the left of each row is an "Edit" button. The "Edit" button for the first row is circled in red.

	Vehicle Number	VIN	Type	License
Edit	00	123154654654	Automobile	
Edit	01	12312323232	Automobile	

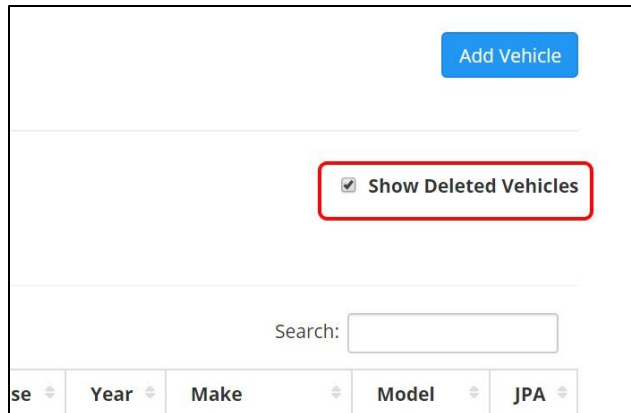

Select the **Delete Vehicle** checkbox and click **Save**.

A screenshot of a vehicle delete form. The form contains the following fields: Year (1988), Make (Acura), Model (Legend), Mileage (240,000), Seating (5), and Effective Date Of Change (mm/dd/yyyy). Below the date field is a note: "Set future or past date when this addition or change should be effective. Leaving this field blank will set the date to today." To the right of the form is a "Delete Date" field. Below the "Delete Date" field is a checkbox labeled "Delete Vehicle", which is checked. At the bottom of the form are two buttons: "Save" (green) and "Cancel" (white). The "Save" button is circled in red.

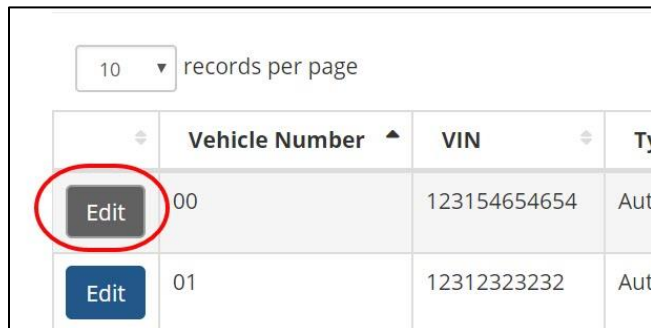

RECALL A DELETED VEHICLE

To **recall** a deleted vehicle, select the checkbox for Show Deleted Vehicles on the Vehicle list.

The screenshot shows a web interface for managing vehicles. At the top right is a blue button labeled "Add Vehicle". Below it, a checkbox labeled "Show Deleted Vehicles" is checked and highlighted with a red rectangle. Below the checkbox is a search bar with the placeholder text "Search:". At the bottom, there are several filter buttons: "se", "Year", "Make", "Model", and "JPA".

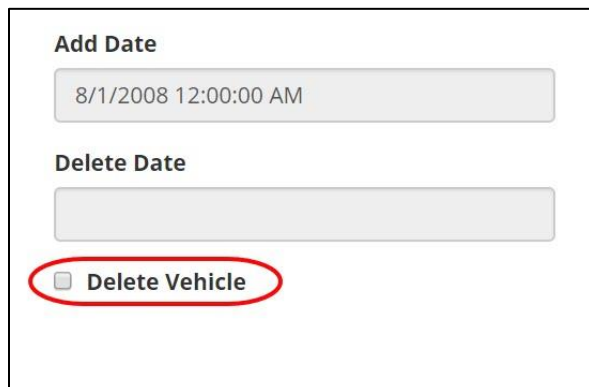

Then select **Edit** next to the vehicle you would like to recall.

The screenshot shows a table with vehicle information. At the top left of the table is a dropdown menu set to "10" with the text "records per page". The table has four columns: "Vehicle Number", "VIN", and "Ty". The first row has a value of "00" in the "Vehicle Number" column, "123154654654" in the "VIN" column, and "Aut" in the "Ty" column. A red circle highlights the "Edit" button next to the first row. The second row has a value of "01" in the "Vehicle Number" column, "12312323232" in the "VIN" column, and "Aut" in the "Ty" column. A blue "Edit" button is visible next to the second row.

Vehicle Number	VIN	Ty
00	123154654654	Aut
01	12312323232	Aut

Uncheck the box next to Delete Vehicle and click **Save**.

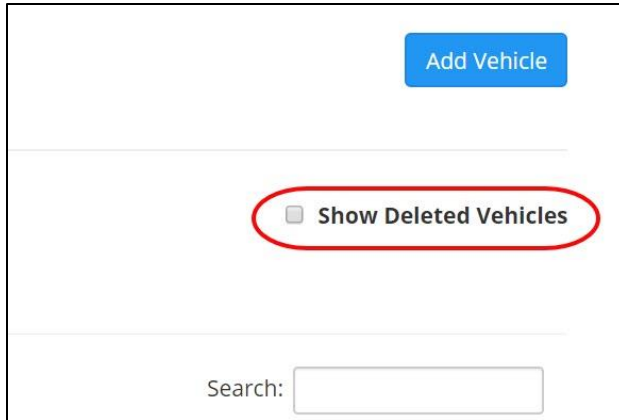

The screenshot shows a form for recalling a vehicle. It has two sections: "Add Date" and "Delete Date". The "Add Date" section has a text input field containing "8/1/2008 12:00:00 AM". The "Delete Date" section has an empty text input field. At the bottom, there is a checkbox labeled "Delete Vehicle" which is unchecked and highlighted with a red circle.

The Vehicle will be recalled and you will see the Vehicle in the Vehicle list.

SHOW ACTIVE VEHICLES

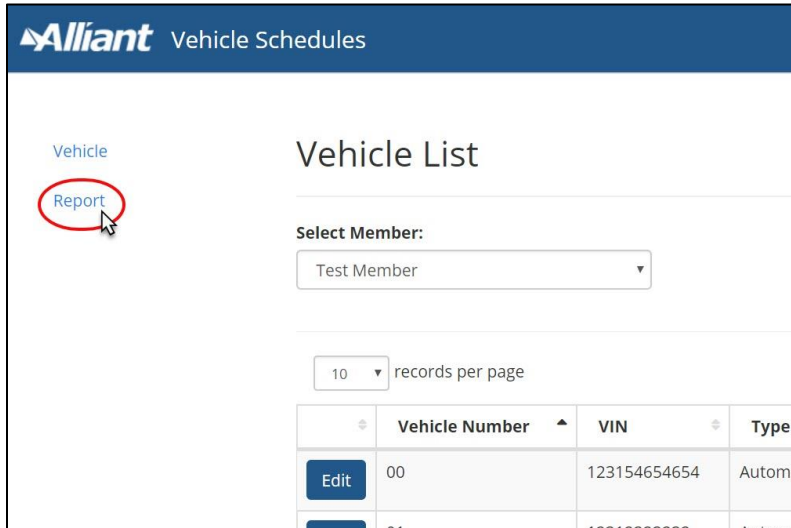

Uncheck the **box** next to Show Deleted Vehicles to see only **Active** vehicles.

REPORTS

RUN REPORTS

To run reports of the Vehicle list, select **Report** in the left side menu.

	Vehicle Number	VIN	Type
Edit	00	123154654654	Automd
	01	1231323232	Autom

In the **Report Name** drop down select from Vehicle Schedule (Active Only) or Vehicle Schedule (Incl Deleted).

Select **JPA member** or None.

SINGLE MEMBER

If you have access to a single member you can select Run Report to run the report. The report will run and open in Excel.

The screenshot shows a web form titled "Reports". It contains three main sections: "Report Name:", "JPA:", and "Members:". The "Report Name:" dropdown menu is open, showing three options: "Vehicle Schedule (Active Only)", "Vehicle Schedule (Active Only)", and "Vehicle Schedule (Incl Deleted)". The "JPA:" dropdown menu is set to "None". The "Members:" section shows a list with one member, "Test Member". Below the list is a note: "Select one or more members. If no members are selected the report will be ran for all available members." At the bottom is a blue button labeled "Run Report". Red circles highlight the "Report Name:", "JPA:", "Members:" labels, and the "Run Report" button.

MULTIPLE MEMBERS

If you have access to multiple members, you can select multiple members by using the Control or Shift keys to select them.

Control key – hold down the control key and click and select multiple members anywhere in the list, they do not have to be next to each other.

Shift key - hold down the shift key to select a group of contiguous members. With Shift key down, select one member, then holding Shift click the last file. All the files in between will be selected.

Once members are selected, select **Run Report**. The report will run and open in Excel.

Note: if no members are selected, the report will run for all available members.

The screenshot shows the same "Reports" form as before, but with multiple members selected. The "Report Name:" dropdown is set to "Vehicle Schedule (Active Only)". The "JPA:" dropdown is set to "CJPIA". The "Members:" list shows three members: "Bravo", "Echo", and "Delta", all of which are highlighted in blue. Below the list is the same note: "Select one or more members, if no members are selected the report will". At the bottom is a blue button labeled "Run Report".

Don't forget to **save** your reports.

[Forgot your password?](#)
[Need help logging in?](#)

SESSION TIME OUT

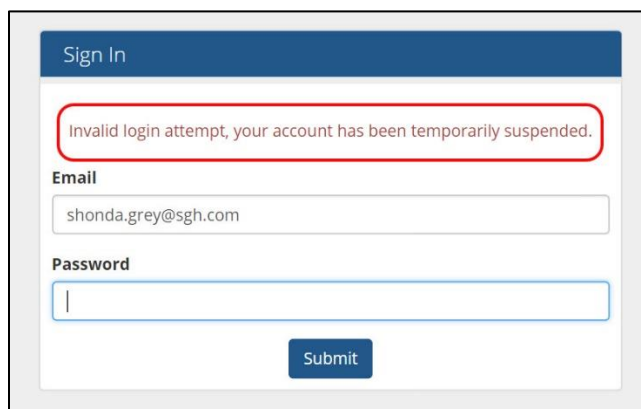

For security purposes, your session will sign out after 30 minutes.

A screenshot of a web application's 'Sign In' page. At the top, a red-bordered box contains the text 'Your session has timed out.' with a mouse cursor pointing to it. Below this is a dark blue header with the text 'Sign In'. The form contains two input fields: 'Email' and 'Password'. A blue 'Submit' button is located below the password field. At the bottom of the form, there are two links: 'Forgot Password?' and 'Questions?'.

TEMPORARY SUSPENSION

You will be temporarily suspended for 15 minutes after five failed login attempts in a row. You can wait and try again or to reset your password, follow the steps in [Update Password](#).

A screenshot of a web application's 'Sign In' page. A red-bordered box at the top contains the text 'Invalid login attempt, your account has been temporarily suspended.' Below this is a dark blue header with the text 'Sign In'. The form contains two input fields: 'Email' (with the text 'shonda.grey@sgh.com') and 'Password'. A blue 'Submit' button is located below the password field.

ANNUAL ACCESS REVIEW

For your security and for audit purposes, your Account Team is responsible for completing an annual access review. Account Teams will verify user access each year and will contact Clients if needed to confirm which users should maintain access for the coming year. To find out more, contact your Account Team.
